GROUND FLOOR

Ninewells is a prestigious collection of stunning new homes, close to the city and set in a beautifully landscaped environment, inspired by the surrounding Cambridgeshire countryside. These unique and beautiful homes comprise two parts, separated by a private courtyard garden.

The main three-storey house sits at the front of the property and features bright and generous interior spaces. The entire length of the ground floor is dedicated to a wonderfully spacious kitchen/ dining/ family living space. Go up a floor, and you'll find a further large family room and an en-suite bedroom. On the top floor is the master bedroom with its stunning en-suite plus a further two bedrooms and the spacious family bathroom.

But let's not forget the additional studio at the rear of the property. This flexible first floor room could play a number of roles, including a home office, kids' den or quiet creative environment.
